

A Modern geometrical gold pendant with diamond and natural pearl.

Circa: Early 20th century

H. 4.0 cm (1 $^{5}/_{8}$ inches)

Gold (14k-585) ; Total weight 2,16 gr

Possibly Vienna, early 20th century

Directly inspired by geometric-abstract designs, with openwork lines, this pendant is a striking example of modernism, and can be compared to the Viennese goldsmithing of the Wiener Werkstätte house, founded in 1903.
