

A Late Georgian Cannetille Scottish banded agate bracelet.

Gilded metal

L.18 cm (7 $^{1}/_{8}$ inches)

Scottish, early to mid 19th century

Striking 5 agate gemstones are set in a cannetille gilded to form this elegant Souvenir bracelet. Each unique agate, all varying in colour, sets in an oval beaded box-setting and mounted in a richer vegetal plaque. Each plaque connects to each other by hoops to a center rolled element. A slide clapse closes the piece.
