Bvlgari, B.zero1. A four-band ring, the central spiral body in polished black ceramic set between two rims in 18-carat rose gold, each engraved with the doubled BVLGARI·BVLGARI signature punctuated by circular studs.

Introduced in 1999, the B.zero1 draws its coiled architecture from the Colosseum, the double logo band recalling the historic Bvlgari-Bvlgari motif. This example pairs the rose-gold structure with the black-ceramic spiral, a combination Bvlgari developed in the 2010s. Signed BVLGARI, made in Italy.
